Howard L. Williams  
Primary Examiner  
Art Unit: 2819

The following is an examiner's statement of reasons for allowance: The prior art of record does not show the first multiplexer to select one input from among the plurality and pass that signal to parallel connection of the sample and hold circuit and the by-pass path with a second multiplexer connected to select either the sampled and held signal or the by-pass signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
